

Publication Proposal

Purpose: To propose a publication using SOCA data.

When: Whenever an investigator is proposing a publication that involves SOCA data.

Instructions: The completed form should be signed by the director of the proposed writing committee. The form should be sent (along with any supporting materials) to the SOCA Chairman's Office (CO) for distribution to the appropriate committee for review. This form will be maintained on file at the CO in the official publication file. The CO will provide notification of the results of the review as promptly as possible (usually within one month).
